

## RPS7-ribosomal protein S7 Gene

Reference: PTXBC002866

|                               |                                                      |                     |                |
|-------------------------------|------------------------------------------------------|---------------------|----------------|
| Product type:                 | DNA                                                  | Storage Condition:  | -20°C          |
| Size/Quantity:                | 2 ug                                                 | Delivery Condition: | +4°C, Blue Ice |
| Synonyms                      | DBA8; 40S ribosomal protein S7; ribosomal protein S7 |                     |                |
| <b>For research use only.</b> |                                                      |                     |                |
