

## RIMS3-regulating synaptic membrane exocytosis 3 Gene

Reference: PTXBC003103

|                |                                                                                                                                                                                         |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                     | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                    | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | NIM3; RIM3; regulating synaptic membrane exocytosis protein 3; RIM 3; RIM3 gamma; Rab-3 interacting molecule 3; rab-3-interacting molecule 3; regulating synaptic membrane exocytosis 3 |                     |                |
