

## ING3-inhibitor of growth family, member 3 Gene

Reference: PTXBC010851

|                |                                                                                                |                     |                |
|----------------|------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                            | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                           | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | Eaf4; ING2; MEAF4; p47ING3; inhibitor of growth protein 3; inhibitor of growth family member 3 |                     |                |
