

## ZBTB7B-zinc finger and BTB domain containing 7B Gene

Reference: PTXBC012070

|                |                                                                                                                                                                                                                                                                 |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | CKROX; THPOK; ZBTB15; ZFP-67; ZFP67; ZNF857B; c-KROX; hcKROX; zinc finger and BTB domain-containing protein 7B; T-helper-inducing POZ/Krueppel-like factor; krueppel-related zinc finger protein cKrox; zinc finger and BTB domain containing 15; zinc finger p |                     |                |
