

## EMCN-endomucin Gene

Reference: PTXBC017781

|                |                                                                          |                     |                |
|----------------|--------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                      | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                     | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | EMCN2; MUC14; MUC-14; endomucin-2; gastric cancer antigen Ga34; mucin-14 |                     |                |

**For research use only.**
