

## HIATL1-hippocampus abundant transcript-like 1 Gene

Reference: PTXBC021093

|                |                                                                                                                                                     |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                 | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | HIATL1; hippocampus abundant transcript-like protein 1; hippocampus abundant transcript-like 1; major facilitator superfamily domain containing 14B |                     |                |
