

## KIAA1530-KIAA1530 Gene

Reference: PTXBC021930

|                |                                                                                     |                     |                |
|----------------|-------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                 | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | KIAA1530; UVSS3; UV-stimulated scaffold protein A; UV stimulated scaffold protein A |                     |                |

**For research use only.**
