

## SIRPB1-signal-regulatory protein beta 1 Gene

Reference: PTXBC025286

|                |                                                                                                                             |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                         | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                        | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | CD172b; SIRP-BETA-1; signal-regulatory protein beta-1; CD172 antigen-like family member B; signal regulatory protein beta 1 |                     |                |

**For research use only.**
