

## RAB27B-RAB27B, member RAS oncogene family Gene

Reference: PTXBC027474

|                               |                                                                        |                     |                |
|-------------------------------|------------------------------------------------------------------------|---------------------|----------------|
| Product type:                 | DNA                                                                    | Storage Condition:  | -20°C          |
| Size/Quantity:                | 2 ug                                                                   | Delivery Condition: | +4°C, Blue Ice |
| Synonyms                      | RAB27B, member RAS oncogene family; C25KG; ras-related protein Rab-27B |                     |                |
| <b>For research use only.</b> |                                                                        |                     |                |
