

## ANTXR2-anthrax toxin receptor 2 Gene

Reference: PTXBC034001

|                |                                                                                                                                 |                     |                |
|----------------|---------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | CMG-2; CMG2; HFS; ISH; JHF; anthrax toxin receptor 2; capillary morphogenesis gene 2 protein; capillary morphogenesis protein 2 |                     |                |
