

## ACYP1-acylphosphatase 1, erythrocyte (common) type Gene

Reference: PTXBC035568

|                |                                                                                                                                                                                                               |                     |                |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                           | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                          | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | ACYPE; acylphosphatase-1; acylphosphatase 1, erythrocyte (common) type; acylphosphatase, erythrocyte isozyme; acylphosphatase, organ-common type isozyme; acylphosphate phosphohydrolase 1; acylphosphatase 1 |                     |                |
