

## DHX15-DEAH (Asp-Glu-Ala-His) box polypeptide 15 Gene

Reference: PTXBC035974

|                |                                                                                                                                                                                                                                                                 |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | pre-mRNA-splicing factor ATP-dependent RNA helicase DHX15; DBP1; DDX15; HRH2; PRP43; PRPF43; PrPp43p; ATP-dependent RNA helicase #46; DEAD/H (Asp-Glu-Ala-Asp/His) box polypeptide 15; DEAD/H box-15; DEAH (Asp-Glu-Ala-His) box helicase 15; DEAH (Asp-Glu-Ala |                     |                |
