## AMZ2-archaelysin family metallopeptidase 2 Gene

Reference: PTXBC050709

|                |                                                                                                                                 |                     |                |
|----------------|---------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | archaemetzincin-2; archaemetzincins-2; archeobacterial metalloproteinase-like protein 2; archaelysin family metalloproteinase 2 |                     |                |
