

## ADCK1-aarF domain containing kinase 1 Gene

Reference: PTXBC058906

|                |                                                                                          |                     |                |
|----------------|------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                      | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                     | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | uncharacterized aarF domain-containing protein kinase 1; aarF domain containing kinase 1 |                     |                |
