

## FAM122C-family with sequence similarity 122C Gene

Reference: PTXBC065225

|                               |                                                       |                     |                |
|-------------------------------|-------------------------------------------------------|---------------------|----------------|
| Product type:                 | DNA                                                   | Storage Condition:  | -20°C          |
| Size/Quantity:                | 2 ug                                                  | Delivery Condition: | +4°C, Blue Ice |
| Synonyms                      | protein FAM122C; family with sequence similarity 122C |                     |                |
| <b>For research use only.</b> |                                                       |                     |                |
