

## IFNB1-interferon, beta 1, fibroblast Gene

Reference: PTXBC096150

|                |                                                                                                                                      |                     |                |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                  | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                 | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | IFB; IFF; IFN-beta; IFNB; interferon beta; fibroblast interferon; interferon, beta 1, fibroblast; interferon-beta; interferon beta 1 |                     |                |
