

## KRTAP2-4-keratin associated protein 2-4 Gene

Reference: PTXBC101147

|                |                                                                                                                                                                                                        |                     |                |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                    | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                   | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | KAP2.1B; KAP2.4; KRTAP2.4; keratin-associated protein 2-4; high sulfur keratin-associated protein 2.4; keratin associated protein 2.1B; keratin-associated protein 2.4; keratin associated protein 2-4 |                     |                |
