

### 39694-septin 3 Gene

Reference: PTXBC111779

|                               |                                              |                     |                |
|-------------------------------|----------------------------------------------|---------------------|----------------|
| Product type:                 | DNA                                          | Storage Condition:  | -20°C          |
| Size/Quantity:                | 2 ug                                         | Delivery Condition: | +4°C, Blue Ice |
| Synonyms                      | SEP3; bK250D10.3; neuronal-specific septin-3 |                     |                |
| <b>For research use only.</b> |                                              |                     |                |

---

|                         |                                                                                                   |
|-------------------------|---------------------------------------------------------------------------------------------------|
| <b>GENE DESCRIPTION</b> | septin 3                                                                                          |
| <b>GENE ID</b>          | 55964                                                                                             |
| <b>ORIGIN SPECIES</b>   | Human                                                                                             |
| <b>ACCESSIONS</b>       | BC111779                                                                                          |
| <b>VECTOR</b>           | pDONR223                                                                                          |
| <b>NCBI SYMBOL</b>      | 39694                                                                                             |
| <b>LENGTH</b>           | ProteoGenix bp                                                                                    |
| <b>SEQUENCE PRIMERS</b> | Forward primer M13R (5'→3'): GTAAAACGACGGCCAGT<br>Reverse primer T7P (5'→3'): TAATACGACTCACTATAGG |

#### ORF (Only for reference, product provided without STOP codon)
