

## TNNT3-troponin T type 3 (skeletal, fast) Gene

Reference: PTXBC117327

|                |                                                                                                                               |                     |                |
|----------------|-------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                           | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                          | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | TNNTF; troponin T, fast skeletal muscle; beta-TnTF; fTnT; troponin T type 3 (skeletal, fast); troponin T3, fast skeletal type |                     |                |
