

## KLKB1-kallikrein B, plasma (Fletcher factor) 1 Gene

Reference: PTXBC117351

|                |                                                                                                                                     |                     |                |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                 | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | KLK3; PKK; PKKD; PPK; plasma kallikrein; kallikrein B, plasma (Fletcher factor) 1; kininogenin; plasma prekallikrein; kallikrein B1 |                     |                |
