

## CABP5-calcium binding protein 5 Gene

Reference: PTXBC126133

|                |                                                                                        |                     |                |
|----------------|----------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                    | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                   | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | CABP3; calcium-binding protein 5; calcium-binding protein 3; calcium binding protein 5 |                     |                |

**For research use only.**
